Title of document(s)	

1. I herewith irrevocably permit the Dresden University Library to permanently archive and maintain the electronic version of the above mentioned document in full text format as well as to publicly provide it on the server of SLUB Dresden for use on the internet free of charge and in accordance with the UrhG. The University of Applied Sciences Dresden is allowed to transfer the document including the descriptive data I provided (metadata) on equal terms to other libraries, archives and open-access-portals, especially to the German National Library and the Special Subject Collection libraries of the German Research Society (DFG). I am free to dispose of the work in another way if this doesn't result in reducing the rights granted to the Dresden University Library by this declaration.

I also irrevocably permit HTW Dresden Library to transfer the document, including the describing data provided by myself, to relevant companies, for the reproduction via print on demand.

2. I hold the rights of use pertaining to this document, and I hereby assert that its publication will not violate the rights of any third party. In case of doubt or in case any supposed or real impediments arise I will immediately inform the Dresden University Library. I indemnify and exempt the Dresden University Library from any third-party claim caused by competing rights.
3. When the document has been edited by the Dresden University Library, I shall check the metadata (which SLUB Dresden if appropriate may alter and complete) as well as the internet version of the document concerning completeness, authenticity and readability.
4. The Dresden University Library is allowed to alter data if technical development so requires (e.g. data migration for the sake of professional long-term preservation of digital documents). This may not lead to any changes in content.
5. The entry of birth date and birth place is voluntary. I agree with the saving of these data in the Gemeinsame Normdatei (GND) and the publication on the Internet.

Publication of qualification requirement (master's thesis, bachelor thesis, diploma thesis et al.)

I assert that the electronic version corresponds exactly with the submitted printed version (excepting/ including curriculum vitae*) and with the examination version submitted to the University.

* Please delete as applicable. It is recommended to deliver the document without curriculum vitae.
