Publication terms and conditions of the HTW Dresden library

1 Assignment of rights to the repository provider

1. I hereby grant the library of HTW Dresden the non-exclusive, perpetual right of use to electronically store and process the above-mentioned publication(s) with the associated metadata including the abstract, to make it publicly accessible in data networks such as the Internet and to make it available via technical interfaces such as OAI.
2. I hereby grant the library of the HTW Dresden the right to report and pass on the above-mentioned publication(s) with the associated metadata including the abstract to other institutions, including within the framework of national collection orders, in particular for the purpose of long-term archiving.
3. I agree that the metadata (without abstract) may be published under the Creative Commons Zero license (CC0, similar <https://creativecommons.org/publicdomain/zero/1.0/deed.en>).
4. I agree that, while maintaining the integrity of the content, copies of the document(s) may be made for the purpose of archiving of the document(s) may be made and converted into other electronic or physical formats for the purpose of archiving.
5. I can revoke this transfer of rights by stating appropriate reasons. If there are no legal reasons to the contrary, access to the publication(s) will be prevented.

2 Declaration on copyright and personal rights

1. I declare that I have the right of use of all parts of the work and that the rights of third parties, in particular copy-rights and personal rights of third parties, are not infringed upon by this (these) article(s). If alleged or actual in-fringements of any third party rights are asserted, I will inform the repository provider immediately.
2. I agree that the personal data of myself and others, which may be present in the article(s) and in the metadata, may be made publicly available.
3. I declare that all parties involved in the article(s) have been informed of the intended publication and have con-sented to the use of their contributions in the manner explained above.

3 General Information

1. The authors or other rights holders check the metadata, which the HTW Dresden Library may change and complete if necessary, and the network version of the publication(s) for completeness, authenticity and readability after processing by the HTW Dresden Library.
2. The HTW Dresden Library does not pursue any commercial interests with the publication. The authors or other rights holders do not receive any remuneration from the HTW Dresden Library for the publication of the above-mentioned publications.
3. The authors or other rights holders are free to dispose of the work in any other way, as long as this does not restrict the rights granted to the HTW Dresden Library in this declaration.
